

Zipcar at Seattle Children's

Need a car during the day for business errands?

Did you know there are three Zipcar vehicles at Children's main campus for employee use?

No need to drive your own car in on days you have a business meeting or errand. Just sign up for Zipcar on the Children's account, reserve online, unlock the doors with your Zipcard and go!

Application Instructions:

- 1.) Go to the Children's Transportation office and pick up a Zipcard;
- 2.) Sign up online at: www.zipcar.com/chrmc;
- 3.) You'll be asked: How do you want to get your Zipcard? Select the option: "I have a Zipcard. Enter the number on the lower left side of your Zipcard."

After Children's approves your membership, Zipcar will check your driving record (takes 1-3 days) and email you when you're approved.

How it Works:

After you've been approved, simply make a reservation online and use your Zipcard to access the reserved vehicle. **Online Orientation:** www.zipcar.com/orientation.

Special Offer on a Zipcar Personal Account

Have a personal appointment during the day? Rather than driving in and dealing with the hassle of parking and taking the shuttle, why not use a Zipcar for your trip?

Zipcar has over 250 vehicles throughout Seattle and is offering Children's employees a discounted membership fee of \$25/year (half-off). Usage rates average \$10/hour and \$70/day, which includes gas, insurance and 180 miles.

To sign up for a personal account:

- 1.) Sign up first on the Children's Hospital business account;
- 2.) Log in at www.zipcar.com;
- 3.) Re-set your browser URL to: www.zipcar.com/chrmcpersonal;
- 4.) Choose a Rate Plan and enter your billing information.

You'll use the same Username, Password and Zipcard for both accounts.
